Before the wedding

Let's talk...

We recommend that you book a consultation or trial 1-2 weeks prior to the wedding allowing you to communicate and plan out your desired look before the big day!

At that time please bring any hair accessories or extensions you plan on using for the wedding. It is also a good idea to bring a photo of your dress and a few hairstyle options.

Any haircutting or coloring should be done 1-2 weeks before the wedding.

The day before:

Take deep breaths.. be excited!!

Shampoo and blow dry your hair with minimal product. No flat ironing, this could affect how your hair holds curl the following day.

On the wedding day:

Today is your day! We are so honored to be apart of it!

Those booked for an updo DO NOT wash your hair. A shampoo is not included with the service. Working with your hair's natural oils allows for a more polished finish.

Wear a zip up sweater or a shirt that does not go over your head.

Please arrive for your appointment on time. If any member of the bridal party is late, lost time will compromise the quality of the bridal party's completed look.

If you haven't met with your stylist please bring photos (front, back and sides) to aid in communicating the over all look you want. Remember time is of the essence!

To ensure all services run smoothly, please share this information with all of the bridal party.
